We Love to Hear from You!

"We attended the Bear
Hibernation program! My son
loved getting to see the size of the
bear, touching all the claws, the
fur, seeing the size of the paw
print, and making it a bear den. I
think getting to see it all up close
was the best part for him!"

SPOTLIGHT ON

Library Outreach

What is Outreach?

Outreach is when we are able to reach Cecil County residents directly in the communities and neighborhoods where they live, work, and play. Whether attending an information fair, providing books to children in their neighborhoods, or delivering books to Homebound Seniors, CCPL's Outreach team connects the community to critical library resources.

Have you seen our new Bookmobile?

Equipped with enhanced technology, books and materials for all ages, and flexibility of use, we look forward to connecting with the community by helping people find jobs, offering assistance with technology, finding your next best read, and answering your questions! Special thanks to the Upper Shore Regional Council for their partial funding support.
