WE LOVE TO HEAR FROM YOU!

Staff Pick
The Wonder by Emma Donoghue

“It follows English nurse Lib Wright as she travels to a tiny village in the Irish Countryside where an eleven-year-old girl, Anna O’Donnell, has not eaten anything since her birthday four months ago. On the surface, she seems completely healthy, she herself claiming that she is living off of God’s manna. With an increasing frenzy of supporters and those who believe the O’Donnell family is lying, Lib has been asked to observe Anna, to ultimately find the truth: is this divine intervention or something much more sinister?”

“We signed up for a library card when my kids were around two years old and we were fairly new to the area. We were surprised at how many new and excited children’s books you have. It seemed like we scooped up these amazing books on a weekly basis. I’m still blown away by the amount of new books your branch gets. Thank you so much for giving my children and others in Elkton access to such great material. Getting a library card was one of the best decisions I’ve made as a parent. Thanks again.”
