

SPONSORED SPACES

in the North East Branch Library

FIRST FLOOR

COMMUNITY MEETING ROOM

Sponsored by The Stewart Companies, Inc.

This meeting room hosts signature events and educational programs for all ages. In addition, many local organizations, government agencies, and non-profits depend on this no-cost space to connect and build community.

CREATIVE COMMONS (TECHNOLOGY)

Sponsored by W. L. Gore & Associates, Inc.

This flexible and unique space is equipped for creative and technological exploration, including a projector and green screen as well as mobile work surfaces and electrical connections. Students can act in front of the green screen or adults can learn how to change a bicycle tire. With imagination and ingenuity, the sky's the limit for learning, experimenting and exploring.

BUSINESS COMMONS (TECHNOLOGY)

North East Rotary Club

Two Co-working rooms equipped with screens and state-of-the-art technology allow the community to meet virtually, run business or committee meetings or interview employees. CCPL's business librarians are available for consultations and assistance with starting a business or non-profit, competitor analysis, grant-writing and a diverse network of local and state resources and contacts.

SECOND FLOOR

FAMILY GATHERING AREA

Sponsored by Aberdeen Proving Ground Federal Credit Union

The central hub of the second floor, this space accommodates families of all ages. A transitional space that features books for teens and adults, comfortable seating and engaging activities and the Everbrite wall, the Family Gathering Area aims to delight, entertain and draw the community together.

TEEN CENTER

Sponsored by An Anonymous Donor

After-school programming such as robotics, coding, community service and the arts, engages teens in high-interest, educational activities while at the same time equipping teens for the workforce with 21st century skills. The teen space has meeting and study spaces, community spaces for socializing and dedicated teen services librarians.

IDEA LAB

Sponsored In Memory of Reid Cameron

The IDEA Lab is equipped with all of the tools young inventors need to envision, design, and build their own creations individually or during a pop-up program with librarians. The adjacent magnetic STEM Learning Wall, based on the water-cycle, invites children to move and manipulate the tubes and gears and challenge each other to create "rain."

OUR TOWN

Flexibly designed for children from birth through age 5 to explore, interact, and play with their parents, caregivers, family and friends. Our Town is an exciting and engaging Early Literacy Center that promotes learning through play and exploration, while nurturing a child's creativity, imagination and curiosity. Whether baking a cake, building a boat, or putting on a show...the possibilities are endless.

OUR TOWN LIGHTHOUSE

Sponsored by the PNC Foundation

OUR TOWN HOUSE

Sponsored by John & Carol Starzmann

OUR TOWN CIVIC BUILDING

Sponsored by The Women's Civic League of North East

OUR TOWN WORKSHOP

Sponsored by Sharon & Charles Rosenberg & Family

STORYTIME ROOM

Sponsored The Town of North East

A special room for families to experience StoryTime and other early childhood and school-age programs. Librarian designed, programs and activities incorporate the important early literacy practices: Reading. Writing. Singing. Talking. Playing.

STUDY ROOMS

Study rooms are perfect for tutors, parent group meetings and studying.

Sponsored by Andrea B. Pugh, Michael R. Pugh – In Memory of Debora Boyd Cain

Sponsored by ODEC Wildcat Point Generation Facility
