

MAY EVENTS FOR HOMESCHOOLERS

FOR KIDS (AGES 6–11)

Kids' Academy: Bee Hotels

Tuesday, May 6 at 11am
Perryville Branch Library

Learn about the native bees of Maryland and how you can help support them.

Kids' Academy: Magnetism

Wednesday, May 14 at 1pm
Elkton Branch Library

Explore magnetism, the strength of magnetic fields, and the real-world application of magnets.

FOR TWEENS (AGES 9–14)

Tween Academy: Science of Stress

Thursday, May 8 at 1pm
North East Branch Library

This month learn about the relationship between stress and your body and make your own fidget stick.

Tween Academy: Animal Science

Monday, May 19 at 1pm
Elkton Branch Library

Learn about livestock, how to care for them, and the science of farming with goats from Cecil County 4-H.

FOR TEENS (GRADES 6–12)

Teen Academy: Forensic Science

Thursday, May 8 at 1pm
Perryville Branch Library

Learn the history of forensic science and solve mini cases with science experiments.
